

Lake Sturgeon

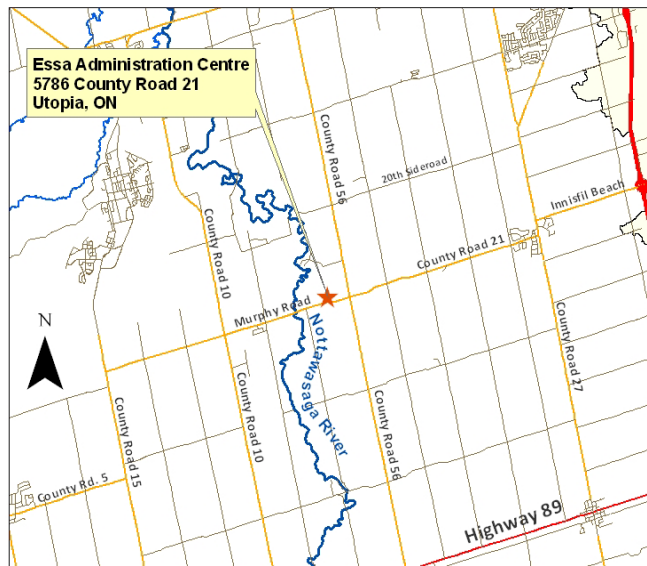

Free Public Workshop

A Species at Risk in the Nottawasaga River

Wednesday, November 25th
6:30 p.m. to 8:30 p.m.
at the Essa Administration Centre
5786 County Road 21 (2km east of Baxter)
Utopia, ON, L0M 1T0

Learn about the Lake Sturgeon's biology, life history, current species status and current management practices.
PLUS - what you can do to help protect this fish in our watershed!
