

## ENGINEERING TECHNOLOGIST

The Nottawasaga Valley Conservation Authority (NVCA), located near Barrie, Ontario, is a public agency dedicated to innovative watershed management supporting a healthy environment, communities and lifestyles. Our jurisdiction includes 18 municipalities in the County of Simcoe, County of Dufferin, Grey County, and the western part of the City of Barrie and spans approximately 3700 sq. km. Our watershed includes significant landform features, such as the Minesing Wetlands, the Niagara Escarpment, and the Oak Ridges Moraine.

---

The NVCA is currently seeking a self-motivated Engineering Technologist looking for a rewarding, exciting and great employment experience. The NVCA's watershed is one of the fastest growing in Ontario and we are committed to providing a high quality of service to our clients.

As a key member of the Engineering team, responsibilities will include technical plan review of applications under the Planning Act, Authority Regulations and other applications including development and implementation of Authority Engineering Standards. The incumbent will assist in the river system analysis using industry approved hydraulic models and assist in the development, review and maintenance of the watershed hydrologic models. This will require the candidate to have the understanding of Provincial & NVCA guidelines/policies related to planning and natural hazard areas.

The ideal candidate will have a university degree or college diploma in civil or water resources engineering and be a Certified Engineering Technologist (C.E.T.). They will also have a minimum five (5) years related experience, with municipal/Conservation Authority experience being an asset.

This is a permanent full-time position. The NVCA offers a competitive benefit package including OMERS (Ontario Municipal Employees Retirement System). Salary is \$59,095.40 - \$71,799.00 (Grade 5, 2022 Salary Grid) commensurate with experience.

We invite you to review a detailed job description on our website at [nvca.on.ca](https://www.nvca.on.ca). Please e-mail your resume to [careers@nvca.on.ca](mailto:careers@nvca.on.ca). Your application must be received by 2:00 p.m. on March 31, 2023.

We thank all applicants for their interest, however, only those candidates under consideration will be contacted. We will accommodate the needs of applicants in accordance with the Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act (AODA) throughout all stages of the recruitment and selection process. Please advise us to ensure your accessibility needs are accommodated throughout this process.
