Ontario

Figure 15a-5

This figure is to be used to identify the areas where a landuse activity is or would be a drinking water threat based on the Technical Rules

This map was produced for the South Georgian Bay Lake Simcoe Protection Region for the purpose of completing the South Georgian Bay Lake Simcoe Assessment Report. Base data have been compiled from various sources, under data sharing agreements. While every effort has been made to accurately depict the base data, errors may exist.
