

# Machinery Crossing Improvements

Name	
Project Address (with fire number)	
Legal Address (Twp, Lot, Con)	
Predominant Soil Type	

## Machinery Crossings

Please indicate the type of machinery crossing project that you are proposing:

- Replacement of machinery crossing
- Removal of machinery crossing
- Streambank stabilization (e.g., ditchbank seeding, culvert protection and bioengineering)

Describe the current crossing location:

---

---

---

Describe the proposed crossing type if replacing:

---

---

---

**Site Plan:** Provide a sketch or aerial photograph of the proposed project site showing the field location and the proposed project in relation to the watercourse(s). Include any other information that you feel is important.

**Estimated Cost:** \$\_\_\_\_\_

**Bed-level, mid-level and bridge crossings may be considered. All bridge crossing designs must be engineered. The private sector is expected to fill these requirements.**

**Applicant (or RWQP staff on behalf of the applicant) must obtain permit approval from appropriate agencies prior to construction. In-stream works will require a Conservation Authority permit. Any work done on a municipal drain requires prior approval from the municipality. Additional approvals may be required.**

## Other Cost Share Funding

Proposed funding from other sources (i.e. Federal, Community/Conservation Group) – confirmed or conditional (i.e., list name of organization and anticipated or in-kind contribution):

Organization	Funding
	\$
	\$

## Terms and Conditions

- 1) I/we understand that the information provided within this application is collected by the Grand River Conservation Authority (GRCA) under the authority of the Conservation Authorities Act, R.S.O. 1990, c.27 for the sole purpose of project administration. This information will be used only by the Rural Water Quality Program and its funding partners. Questions regarding the collection of this information should be directed to Tracey Ryan, Manager of Environmental Education and Restoration, GRCA, 400 Clyde Road, Box 729, Cambridge, Ontario, N1R 5W6, Telephone 519-621-2761.
- 2) I/we understand that I/we are responsible for reporting any grant income to Canada Revenue Agency.
- 3) I/we also understand that failure to comply with all the program requirements may delay processing of the application or render me/us ineligible for financial assistance under the Rural Water Quality Program.
- 4) I/we understand that I/we will be responsible for ensuring the technical and structural adequacy and legal requirements of this project.

## Declarations

- 1)  I/we have read and understood the terms and conditions outlined above and certify that the information contained in this application and any supporting documentation is true and complete to the best of my/our knowledge.
- 2)  I/we have or  will have a deemed appropriate Ontario Environmental Farm Plan (EFP).
- 3)  I am able to claim an HST refund.
