Crop Nutrient Plan	

A written crop nutrient plan must cover at least one full crop rotation or a minimum of three years that describes the timing, source, placement and rates of all applied nutrients.

The crop nutrient plan will be developed for  three (3)  four (4) or  five plus (5+) years.

The crop nutrient plan will include the following optional components:

- Yes  No - Manure sampling and analysis
- Yes  No - Field profitability mapping services
- Yes  No - Plant tissue sampling and analysis

Description of Service	Cost per unit	Subtotal
	\$	\$
	\$	\$
	\$	\$
<b>Total Estimated Cost</b>	\$	\$

RWQP grants for livestock Nutrient Management Planning and Crop Nutrient Plans may not be combined for the same acreage within the same year(s).

## Other Cost Share Funding

Proposed funding from other sources (i.e. Federal, Community/Conservation Group) – confirmed or conditional (i.e., list name of organization and anticipated or in-kind contribution):

Organization	Funding
	\$
	\$

## Terms and Conditions

- 1) I/we understand that the information provided within this application is collected by the Grand River Conservation Authority (GRCA) under the authority of the Conservation Authorities Act, R.S.O. 1990, c.27 for the sole purpose of project administration. This information will be used only by the Rural Water Quality Program and its funding partners. Questions regarding the collection of this information should be directed to Nancy Davy, Director of Resource Management, GRCA, 400 Clyde Road, Box 729, Cambridge, Ontario, N1R 5W6, Telephone 519-621-2761.
- 2) I/we understand that I/we are responsible for reporting any grant income to Canada Revenue Agency.
- 3) I/we also understand that failure to comply with all the program requirements may delay processing of the application or render me/us ineligible for financial assistance under the Rural Water Quality Program.
- 4) I/we understand that I/we will be responsible for ensuring the technical and structural adequacy and legal requirements of this project.

## Declarations

- 1)  I/we have read and understood the terms and conditions outlined above and certify that the information contained in this application and any supporting documentation is true and complete to the best of my/our knowledge.
- 2)  I/we have received a copy of the funding guidelines for my project category.
- 3)  I/we have included a site plan with this application indicating the fields to be included in the crop nutrient plan.
- 4)  I/we have or  will have a deemed appropriate Ontario Environmental Farm Plan (EFP).
- 5)  I/ we acknowledge that the completed plan will be submitted to program staff prior to grant payment.

**I confirm that I am the registered owner of property or the person that leases the land from the registered owner.**
