Maple Syrup Season at Tiffin

March 1st – April 4th, 2024

Enjoy the sights, sounds, smells and tastes of spring with your students in the sugar bush at the Tiffin Centre for Conservation!

The Sweet Taste of Spring!

Join us for an interactive tour of a working sugar bush that demonstrates the Indigenous, pioneer and modern-day methods of maple syrup production.

Morning and afternoon tours and programs are available.

Maple syrup and maple products will be available for purchase following the tour. Supplies may be limited.

Create An Unforgettable Experience For Your Students!

Program Fees and Options

2 hour Maple Syrup Program

\$11.65/student

Our maple syrup program provides an in-depth look at tree ecology and maple syrup production. Students enjoy hands-on activities including drilling and tapping trees.

4 hour Maple Syrup Program

\$16.75/student

Spend a day at Tiffin! Combine a maple syrup program with an elementary or high school program of your choice. Orienteering, snowshoeing or winter wildlife are just some of the programs available. Contact our environmental education staff for details.

Maple Syrup Tours for Community Groups

Our maple syrup tours provide a general overview of maple syrup production. Tours can be geared to any age group, making them suitable for guides and scouts, community groups, and corporate outings. Contact our environmental education team for details.

**Check out
our
PRIMARY
Program!**

Students aged 8 and younger will learn the basics of tree ecology and maple syrup production through nature exploration, storytelling and hands-on activities!
